Dear Sirs,

Motorship "LAURITS SWENSON"

I have to acknowledge receipt of your letter of the 22nd ultimo, the contents of which have been noted.

In view of the fact that the year of grace for the Special Survey expired at the end of last month and that no arrangements have been made for completing this inspection, the case received the consideration of the Committee and their meeting today when instructions were given for the notation "Surveys overdue 11,61" to be recorded in the Register Book, and I shall be glad if you will inform the Owners accordingly.

It may be that the Owners may desire that the fact that the ship is laid up should be reflected in the notation and if this is so arrangements could be made for "Laid up" to be added to the above-mentioned notation.

Yours faithfully,

Deputy Clerk to the  
Classification Committee

The Surveyors,  
OSLO
