communications to be addressed to—
SURVEYORS.

The Secretary,
L O N D O N . -

Dear Sir,

I forwarded to day under separate cover the First Entry Report on the machinery of the motor tug "ZWARTE ZEE", built by Messrs. L.Smit & Zoon at Kinderdijk.

The vessel received her engines at this Port and proceeded again to the latter Port. The electric light and power installation was started at Kinderdijk, advanced at this Port and will be completed at Kinderdijk.

It has been arranged that the report will be sent by the Rotterdam Surveyors.

I am, Dear Sir,

Yours faithfully,

H. W. Bennett
