Reference

Dear Sir,

In reply to your classing letter of the 21st instant, respecting the steamer "REDRIFF" - Nwc. Rpt. No. 79285, I beg to advise you that the thickness of the keel plating is as approved. It was inadvertently reported as .64 and should have been .68 amidships and I shall be glad if you will kindly make the necessary correction on my report.

I am, Dear Sir,

Yours faithfully,

J. Macdonald.

The Secretary,

London.
