8th October, 1936.

Dear Sirs,

M. I have to inform you that the s.s. "NORTHWOOD",
Messrs. Burntisland Shipbuilding Co.'s Yard No.202, has
proceeded to your port where the machinery will be installed
on board, and a final examination of casings aft and of
the steering gear and windlass under working conditions will
complete the special survey.

I shall therefore be glad if you will give
the case the necessary attention, and forward a report on form
Rpt. 8 on completion of this survey,

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
SUNDERLAND.
