Ship's name "MULBERRY HILL"

Port

LIV

No. 165622

Last survey date 20.1.65

Class is subject to

Port Main Boiler saturated steam stop valve
chest being renewed on ships arrival in U.K.
or by the end of 1/65.

MBS due 9/64, commenced 10/64, now completed.

SRL Item. Stated by Owners' Representative
that a new valve had been ordered but would not be
delivered before the ship sailed. The welded repair
to the Main Port Boiler saturated steam stop valve
chest now specially examined and considered to continue
efficient, but it is recommended that this item be
renewed by 5/65.

It is submitted that this vessel is eligible
to remain as classed with fresh record of MBS 10/64
now, subject as previously recommended, subject as
above as now amended and recommended.
