LLOYD'S REGISTER OF SHIPPING

Port MARSEILLES

Date 6th March 1964

This is to Certify *that I have surveyed the* s/s "MULBERRY HILL" 7121 *Gross tons* of London Whilst lying afloat at SETE, on the 3rd March 1964 on account of suspected damage following grounding whilst entering that port, on the 24th February 1964,

and that I am transmitting to the Committee of Lloyd's Register of Shipping, London, a report, stating that all repairs recommended by me have been completed to my satisfaction, also that I am recommending that she be retained as now classed in the Register Book without fresh record of Survey subject to her shell bottom plating, sternframe and rudder, being specially examined at the next drydocking, by the end of June 1964, also subject to her starboard anchor and chain cable being specially examined and retested if necessary, and to any outstanding conditions of class being dealt with as previously recommended.

R. J. BEMMIS
Surveyor to Lloyd's Register of Shipping
