LLOYD'S REGISTER OF SHIPPING

Port.....MARSEILLES

6th March 1964

This is to Certify *that I have surveyed part of the machinery*
of the s/s "CHULBERRY HILL" 7121 Gross tons of London
for suspected damage following grounding at SETE on the 24th
February 1964, whilst the vessel was lying afloat at that port
on the 3rd March 1964

and that all my recommendations have been carried out to my satisfaction. I
am reporting accordingly and recommending to the Committee of Lloyd's Register
of Shipping that the machinery classification should be retained and the following

survey records assigned WITHOUT FRESH RECORD OF SURVEY subject to
 for propeller and fastenings being specially examined at the next
 drydocking, by the end of June 1964, also subject to any outstanding
 conditions of class being dealt with as previously recommended.

Parts now examined:—

R. J. BERTHE

Surveyor to Lloyd's Register of Shipping
