XXX

and that I have transmitted to the Committee of Lloyd's  
Register of Shipping, London, a Report, stating that all repairs  
has been built under special survey and in accordance with the  
recommended by me have been completed to my satisfaction, and  
that I have Recommended that she be classed + 100 A.L.

"with Freeboard"

subject to weather decks being hose tested

being fit to carry

dry and perishable cargo except in tween

decks until weather decks hose tested.

A. HISLOP

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:  
"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are  
properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any  
circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its  
Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default  
negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
