8th July, 1942.

Dear Sirs,

M.V. "GOLDFINDER"

E. I duly received your letter of the 20th ultimo from which due note has been taken of your remarks regarding the 6-cylinder PS. 30-B type engine proposed to be supplied by you to the above vessel.

It is understood that in the meantime arrangements have been made for this engine to be opened out with a view to an examination being made by the Society's Surveyors and all tests required by the Society's Rules being carried out.

In the circumstances I am directed to inform you that provided a satisfactory report be received from the Surveyors and the Society's requirements be complied with in all respects, this engine will be eligible for the record of LMC with the distinguishing mark  after installation in the vessel.

I am, Dear Sirs,  
Yours faithfully,

Secretary.

Messrs. W.H. Allen Sons & Co. Ltd.,  
Queens Engineering Works,  
BEDFORD.
