25th June, 1942.

Dear Sir,

I beg to enclose herewith a letter received from Messrs. Ringsend Dockyard Co. also a plan in triplicate of proposed engine seating for the motor vessel "GOLDFINDER". The Owner has purchased an Allen 6 P.S. 30 B. oil engine to replace the existing engine and it was stated that the engine was built under the Society's Survey. I shall be glad to hear if the screwshaft diameter is approved for this type of engine.

The Owner will be obliged if you will please telegraph the approval or amendments in order that the necessary material can be ordered at the earliest possible date.

I am, Dear Sir,
Yours faithfully,

(Sgnd.) R.B. Grier.

The Secretary,
