Dear Sir,

S.S. "ATHOS".

I am in receipt of your memorandum of the 25th ultimo and am advised by Mr. Parissis that the oil burning installation has been fitted in accordance with the approved and amended plan and that the remaining requirements of the Rules for pumping and piping and fire extinguishing arrangements have been complied with.

I have also to confirm that there is no evaporator on board.

The thicknesses of the upper deck plating as ascertained by drilling as per Rules are as follows:-

Bridge space:- stringer .36, 1st strake adjacent .48,
2nd strake adjacent .54, 3rd strake adjacent .54.

Abaft Bridge space:-

stringer .71, 1st strake adjacent .50,
2nd strake adjacent .54, 3rd strake adjacent .52.

I am, Dear Sir,
Yours faithfully,

The Secretary,
London.
