QUESTION

With reference to my letter of the 27th March, I shall be glad to learn whether you are in a position to forward the copy of the agreed recommendations for renewals.

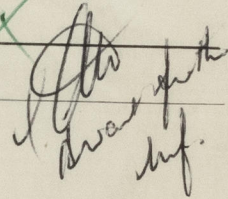

ANSWER

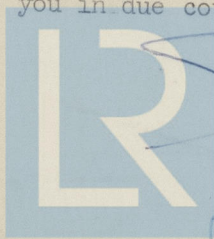

Date:— 16th. May 1961

In reply we state that no recommendations were made for renewals at the time of the Survey as it was not understood from the wording of circular 2106 that this had to be done.

However in close cooperation with Owners Representative an idea was given about what might most probably have to be renewed by next SS.

No record of this advice has been kept in this office, but Owners agreed to send us a copy of their list of expected renewals, as quick as possible which will be forwarded to you in due course.
