The Secretary,
Lloyd's Register of Shipping,
LONDON.

Dear Sir,

"NINA"

? 1463 tons

In reply to your letter dated 14th instant, and with reference to previous correspondence and exchange of cables concerning the above ship, it has now been established that the vessel is presently owned by the following Company :-

Marine Industry Corporation Ltd.,
608, Bank of East Asia Building,
Des Voeux Road, C.,
HONG KONG.

These Owners have been approached regarding to the survey position, and also with regard to the contents of your letter abovementioned.

The future of the ship would appear uncertain and we understand that she is still on the market for resale.

Meantime the vessel remains laid up in Colony waters and the present Owners would prefer that the notation "Laid up - Survey overdue 4,62," be recorded in the Register Book instead of "Surveys overdue 4,62," as recently decided by the Committee and advised in your letter.

Yours faithfully,

John Manson
