With reference to the classification of this ship in the Society's Register Book, I shall be glad to learn what arrangements you propose making for the Main Boiler Survey, which became due at the end of September, to be carried out.

I would point out that the ship has not been seen in dry dock by the Society's Surveyors since September 1961.

It will be appreciated if you will forward a copy of your reply to the Society's local Surveyors.

Yours faithfully,
