Dear Sir,

Motorship "MARIA VERONICA"

I have to acknowledge receipt of your letter of the 18th instant and thank you for forwarding the necessary information which you have now obtained from the Miami Surveyor.

The case has accordingly received the consideration of the Committee today and the minute on Miami Report No.368 has been confirmed.

I would add, however, that a letter has been received from the Valparaiso Surveyor dated the 28th May stating that this ship was beached at Punta Talquilla on the 19th May, after striking a reef, and it is understood that the ship is a constructive total loss.

Yours faithfully,

pro Clerk to the  
Classification Committee.

The Secretary,  
NEW YORK.
