22nd January, 1926.

Dear Mr. Warlow,

I notice that on Glasgow first entry report No. 45289 on the Motorship "MYRTLEBANK" you have not added "with freeboard" to the minute. If you are agreeable I will put in this addition.

I am wondering whether you saw this report before it left Glasgow, as the copying is not quite up to the usual high standard. I am sure you will agree that the third page is difficult to read.

With kindest regards,

Yours faithfully,

P.L. Warlow, Esq.,

GLASGOW.
