General Observations, Opinion as to Class, Recommendation, etc.:

003948-003957-0202

State clearly whether any and, if so, what alteration is suggested to be made in the existing classification and notification of the vessel in the Register this survey, thus, for example:—"to remain as classed in the Register Book without fresh record of Survey" "to remain as classed and to have record of survey, 1.38," or "to remain as classed and to have record of survey, 1.20."
