Dear Sir,

## "CLAN MACAULAY"

We thank you for your letter of the 18th instant in connection with the above vessel from which we note that the plating of the forward centre boiler in way of the main check valve opening requires attention on completion of the present voyage or by the end of December this year. Also, that one length of feed pipe attached to the main feed check of the forward port boiler also requires renewal by the same time.

The future of this vessel is not yet known but as soon as we are in a position to advise you further in this matter we will do so.

Yours faithfully,  
For THE CLAN LINE STEAMERS LTD.
