Dear Sirs,

Steamer "CLAN MACAULAY"

I have your letter of today's date and in confirmation of my telephonic reply I would inform you that provided a General Examination of the hull and machinery is made of this vessel before the end of next month and the results are satisfactory the Committee will be prepared to maintain the vessel's class until the end of April 1964. They will also be agreeable to the Boiler Survey which is due this month being deferred for a similar period.

Yours faithfully,

Clerk to the
