Lloyd's Register,

SUNDERLAND.

22nd November, 1919.

9 ENCLOSURES.

The Secretary,
LONDON.

Dear Sir,

I beg to submit herewith in duplicate plans of mid-ship section, profile and decks, Deep tank aft, and alternative arrangement of hatch webs, for a vessel proposed to be built by Messrs. S.P. Austin & Son and designated No. 293. It will be observed that the proportions of the vessel exceed the $1\frac{1}{2}$ depth to length, viz., 13.98.

The Builders would be obliged with the favour of the early approval of these plans.

Particulars of freeboard are also enclosed on form 11b.

I am, Dear Sir,

Yours faithfully,

(Sgd.) JAMES DICKIE.
