Dear Sir,

We thank you for your letter of the 14th. inst. advising us of the modified scheme for carrying out surveys in connection with the Merchants Shipping (Safety & Load Line Conventions) Act 1932.

So far as these surveys are concerned in respect to our s.s. "ZELO" and s.s. "LARGO", we have to inform you that the former vessel has been laid up since the early part of October and the survey will be done when she next goes into commission. As regards the s.s. "LARGO", you will doubtless remember that your Committee very kindly granted us permission to run this vessel until the back end of this month when she will undergo her Special Survey, specifications for which are being issued to various shiprepairers today, and the Load Line Survey will be carried out at the same time.

Yours faithfully,

FOR THE PELTON STEAMSHIP CO. LTD.
