Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

It is submitted the P. & O. Steam Navigation Co.

might be inferred that the 3rd September, 1930. It may have been noted, and that the vessel will receive very careful attention.

Dear Sirs, Representatives of Messrs. Green & Silley Weir, Ltd.,

have called at the office on the 2nd day, and have handed in plans showing the proposed alterations to the vessel, and these are under consideration.

I am favoured with your letter of the 2nd instant, and note that you are desirous of regaining the Society's classification of 100A1 for this vessel.

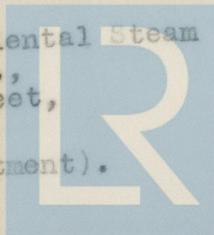

The matter is receiving immediate attention, and everything will be done by the Society's Surveyors to expedite the carrying out of the work.

I may add that we have already been in communication with Messrs. Green & Silley Weir, Ltd., whose representatives have been here this morning and had a consultation with the Society's Chief Surveyors' Staff and with the Principal Surveyor on the London Outdoor Staff, who is giving the matter his personal attention.

I am, Dear Sirs,

Yours faithfully,

Managing Directors,
Messrs. Peninsular & Oriental Steam
Navigation Co.,
122, Leadenhall Street,
E. C. 3
(General and Engineering Department).

Secretary.
