ENCLOSURES

Dear Sirs,

R.V. "ROSE JULIE M".

M.

I return herewith one copy of each of the plans forwarded with your letter of the 28th instant, showing the construction of a double bottom ballast tank in the above ship, and have pleasure in stating that the scantlings and arrangements as shown and amended will be approved provided they be carried out to the satisfaction of the Society's Surveyors.

It is noted that these plans have been prepared by Messrs. Doig, and accordingly one copy of each plan is being forwarded to the Society's Surveyors at Grimsby, where it is assumed the alterations will be carried out. The remaining copy of the plan is being retained for record.

Yours faithfully,
