

# Lloyd's Register of Shipping,

18, Burlington Road,

Ipswich,

14th March 1920.

Dear Carey,

Herewith enclosed is a letter received from Messrs Davey, Paxman & Co., respecting the despatch of their Engines No. 13751. They are rather late in advising, although they have been requested to let us know as soon as the Engines were allocated.

With kind regards,

Yours faithfully,

*A. E. Farmer*
