Dear Sirs,

m.s. "MONTE ABRIL".

With reference to your memorandum of the 2nd May it is noted that the Owners intend fitting the new rudder main piece at the vessel's next drydocking.

I shall be glad if you will ascertain and let me know when it is anticipated this drydocking will take place.

The Continuous Survey of the Oil Engines is considerably behindhand, very little having been seen since February, 1955 and this should be brought up to date as soon as possible.

Yours faithfully,

cc.MAD.

Clerk to the
Classification Committee.

The Surveyors,
BILBAO.
