QUESTION

ANSWER

With reference to my Classing Letter of the 25th June, I shall be glad to learn if you are yet in a position to let me know what arrangements are proposed to be made for the Special Survey to be held by the end of February 1964.

I take this opportunity to remind you that the Main Boiler Survey will become due at the end of May 1964, as it may well suit the Owners for this inspection to be held at the same time as the Special Survey.

We have now been advised by the Owners that the Special Survey of this ship will be dealt with at Greenhithe during the vessel's visit there next month.
