SUBMITTED too the Surveyors
be requested in future similar cases to complete
a Rpt.8(P.S.) Form instead of having all the par...
surveyed for General Examination and Docking
typed on the front page of the Rpt.8.

The report form Rpt.8(P.S.)
was designed to save Surveyors time in drafting
reports and Typists time in typing same, and
incidentally it makes checking work in this
Office easier.
