QUESTION

ANSWER

Date:— **Bombay, 8th January, 1958.**

With reference to the Special Survey and Main Boiler Survey, both of which become due at the end of February next, I shall be glad if you will ascertain from the Owners and let me know what arrangements they propose making for these inspections to be held.

In reply is forwarded herewith a copy of Owners letter No. MD 55/58 dated 7-1-1958 received in this connection.

The Donkey Boiler Survey became due at the end of December and the Owners' intentions regarding the carrying out of this survey will also be appreciated.
