Dear Sirs,

s.s. "Vestria"

Your letter of 4th inst. is to hand.

The Finnish Salvage Company Neptun have just made an examination of the vessel, which is still aground at Snipans Grund. The report shows that vessel cannot be salvaged for putting into trading condition again, and my underwriters have declared that they accept this report, and I have now made application to the Swedish Board of Trade for having vessel struck out of the Swedish Register.

I will write you again when vessel is officially struck out.

Yours faithfully,  
O. M. THORE
