Dear Sir,

With reference to your letter of the 11th and mine of the 16th January last respecting the Steamer "VESTRIA", it will be appreciated if you will kindly let me know whether you can now furnish me with any further information regarding this case.

I take this opportunity to point out that this vessel, in addition to drydocking, has now become due for the following periodical surveys:- Boiler Survey due March, 1956 and Screwshaft Survey due April, 1956.

Yours faithfully,
