Dear Sir,

Publications 117/55. s.s. "Vestria"

Your letter of 9th inst. is to hand and contents noted.

It is presently impossible to say anything about the condition of vessel or cargo owing to the ice situation. Under these circumstances I consider it too early to have her class expunged and suggest that this question be postponed until a later date after my underwriters have had an opportunity of a proper survey of vessel.

Yours faithfully,

O. M. THORE
