M.S. NORMANBY HALL
430 Tons

Dear Sir,

m.s. "NORMANBY HALL"

M.S. INDORITA
280 Tons

M.S. FLEURITA
260 Tons

We thank you for your favour of the 29th February, and note particulars of the Survey of the above ship at Dublin, and that it has been recommended for further examination of the Main Engine Thrust Shaft Collar should be held before the end of January 1961, and we will certainly bear this in mind, and probably an opportunity will occur later in the year when she is in Liverpool.

Yours faithfully,

Coppack Bros & Co
