QUESTION

ANSWER

OK. March 1964

With reference to the Special Survey which becomes due at the end of March, I shall be glad to learn what arrangements are proposed to be made for this inspection to be held.

I take this opportunity to remind you that the Screwshaft Survey will become due at the end of June.

Date:— 10th February, 1964.

We beg to state that the Owners have today informed us that the above vessel, which is due for Special Survey at the end of March, is not expected to arrive here till about 12th May 1964.

The Owners therefore ask if a General Examination may be held during the vessel's docking at Helsingør about 13th May with a view to a postponement of the Special Survey until the spring 1965.
