Dear Sirs,

Steamer "SAFINA-E-JAMHOORIYAT"

Following a survey carried out by the New York Surveyors during July it was recommended that the seal welded stays in the centre and inboard combustion chambers of the starboard main boiler be examined and dealt with as necessary on arrival at Karachi, and it is concluded the necessary arrangements will be made in this respect.

Yours faithfully,

Assistant Clerk to the  
Classification Committee.

The Surveyors,  
KARACHI.
