MD:ER:ST:2959

6th December, 1963

The Principle Surveyor,
Lloyds Register of Shipping,
71, Lloyds Avenue,
LONDON W.C.

Dear Sir,

It is the intention of the owners of the s.s. Safina-e-Jamhooriyat that with your approval, they intend to operate the vessel as a saturated one i.e., eliminating the superheat elements completely. I have made the necessary alteration to the main engine valve settings and trust this meets with your approval.

I am, Dear Sir,
Yours faithfully,

For The Pan-Islamic Steamship Co., Ltd.

D. J. Campbell
