Dear Sirs,

C.O.

I shall be glad if you will endeavour to obtain confirmation of the fact that the Ownership of the motorship "CHINA" now building at Krupp's Yard at Kiel should be recorded as Balboa Transport Corporation, and not Standard Oil Company of California.

A letter to this effect has been received from the California Texas Oil Company, Ltd.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

HAMBURG.
