3rd October, 1953.

RECEIVED  
- 5 OCT. 1953

Dear Sir,

With reference to the steamer "GEORGE", recently constructed by Messrs. Wm. Denny & Bros. Ltd., their Yard No. 1460, I enclose herewith a copy of a letter received from the Builders, together with the First Entry Certificate of Classification. Appended is a list of the registered dimensions of this vessel -

	A. M.O.T. Reg. Dimns. (as open shelter decker)	B. L.R. Liberian Tonnage Cert. figures. <u>Tonnage Dimensions</u>	C. M.O.T. Tonnage Cert. as closed shelter decker. Reg. <u>dimensions.</u>
Length	461.40	468.90 ✓	475.4
Breadth	63.25	63.25 ✓	63.25
Depth	28.20	37.70 ✓	37.70

With regard to A, these figures were accepted from the Ministry of Transport (see copy of their letter forwarded with the First Entry Report), but since the shelter deck was closed, these figures should be corrected in accordance with column C.

It should be noted that the decision to close the vessel's shelter deck was made after the vessel's trials, in great haste, when the corrections necessary were apparently overlooked and revised figures from the M.O.T. were not provided.

Will you have a fresh certificate prepared containing the amended figures as a closed shelter decker, and forward it to this Office.

Yours faithfully,

The Secretary,  
LONDON.
