

# Lloyd's Register of Shipping,

95, Bothwell Street, GLASGOW, C.2.

28 JUN 1943  
Cert. enclosed.

25th June, 1943.

Dear Sir,

It is observed from the First Entry Certificate of Class of the Motorship "SOCOTRA" that the registered depth is given thereon as 38.35 feet instead of 29.85 feet, measured to the 2nd Deck, as given in the First Entry Report.

I may say that in the case of the "CANARA" and "CHYEBASSA", ships of a similar type, the registered depth given in the Register Book is to the 2nd Deck, and I return the Classification Certificate herewith in case an alteration is necessary.

I am, Dear Sir,  
Yours faithfully,

*Phillips*  
Secretary to the  
Glasgow Committee.

The Secretary,  
WOKINGHAM.
