18th November, 1966.

Steamer "GALAXIAS"

This is to Certify that according to the records in this Office this ship sustained damage stated to be a result of grounding on the 25th May, 1966.

The Society's Surveyors attended on board at Visakhapatnam on the 29th May and subsequently but no action was taken in regard to classification pending a decision being made concerning repairs.

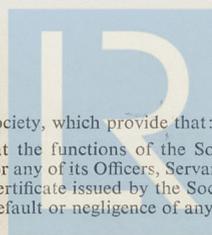

On the 27th June, 1966 information was received from the Society's Surveyors at Visakhapatnam to the effect that following a fire, stated to have taken place on the 24th June, a preliminary examination showed that the machinery had been badly damaged.

The case received the consideration of the Committee on the 5th August, 1966 when the notation "Repairs required - Class Suspended 8.66" was assigned.

pro Classification Manager.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"The Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, but it is to be understood that neither the Society nor any Member of any of its Committees nor any of its Officers, Servants or Surveyors is under any circumstances whatever to be held responsible or liable for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any act or omission, default or negligence of any of its Committees or any Member thereof, or of the Surveyors, or other Officers, Servants or Agents of the Society."
