Dear Sirs,

Steamship "GALAXIAS"

I acknowledge receipt of your letter dated the 12th August, the contents of which have been noted, and confirm that the Committee at their meeting on Friday 5th August gave instructions for a notation of "Repairs Required - Class Suspended 8.66" to be assigned.

We regret you were not informed of this decision direct, but due note has now been taken that you are the Owners London Agents.

So far as the Towage Survey is concerned instructions are being sent to the Society's Visakhapatnam Surveyors and when requested to carry out the desired survey they will be in a position to do so.

Yours faithfully,

pro Classification Manager.
