Dear Sirs,

S/S "GALAXIAS"

We have received a copy of a letter dated the 8th instant from your Surveyor in Vizakhapatnam addressed to the Master of the above vessel, informing him that you have assigned the following notation to the above mentioned vessel:-

"REPAIRS REQUIRED CLASS SUSPENDED 8/66"

You will no doubt appreciate that as we are the London Agents for the Owners of this ship, we should have been informed of your action, instead of telling the Master via your Vizakhapatnam Surveyor and we shall be pleased if you will kindly confirm the above to us in writing.

For your guidance, negotiations are now in progress for the repairing of this vessel, and it is likely that she will be towed to a suitable port to carry out the eventual repairs, after tenders have been obtained. No doubt your Surveyor in Vizakhapatnam will be able to issue the appropriate Seaworthiness Certificate for the towage in due course.

Yours faithfully,  
for: ORIZON SHIPPING COMPANY LIMITED
