Dear Sirs,

s.s. "APJ AMBAR"

With reference to your memorandum dated 29th October, and previous correspondence, I shall be glad if you will confirm that this ship is now under your inspection for Screwshaft Survey, and that the equipment has now been placed on board and verified by you.

With reference to the Main Boiler Survey which became due at the end of August last, it would appear from the records in this Office, that all items are outstanding with the exception of the examination of the port boiler. In the circumstances, I shall be glad to learn the Owners' intentions regarding the completion of this survey.

Yours faithfully,

Assistant Clerk to the
Classification Committee.

The Surveyors,
CALCUTTA
