## QUESTION

With reference to my classing letter dated the 5th February, I shall be glad to learn if you are yet in a position to let me know what arrangements are proposed to be made regarding the completion of the Continuous Survey cycle of the machinery.

A reply, by return, will be appreciated.

The Screwshaft Survey will become due at the end of April, and the Owners' intentions regarding this inspection will be appreciated.

## ANSWER

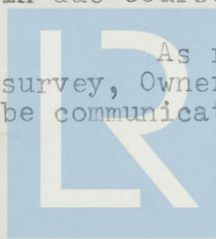

Date:— 4th March, 1965.

This vessel was recently under survey when outstanding items for completion of continuous survey cycle were dealt with except main engine L.P. Turbine, reduction gear and hydraulic coupling and repairs to some electrical circuits. A copy of the owners' letter in this connection is attached herewith.

Our report will be forwarded in due course.

As regards the screwshaft survey, Owners' intentions will be communicated in due course.
