Dear Sir,

S.S. "APJ AMBAR"

We have to acknowledge receipt of your letter of the 11th January concerning the above ship.

With regard to your postscript, we have to say that the masts and rigging were surveyed by Mr. Gray who has now left Calcutta for U.K. posting. According to his journal, he carried out the survey personally and no Rigger was employed.

With regard to the outstanding items to complete the CSM we have to say that we are looking into this matter and will advise you again in due course.

Yours faithfully,  
for The Surveyors.

The Secretary,  
LONDON.
