Dear Sirs,

S.S. "WINONA"

The contents of your letter of the 4th instant have been duly noted and your latest proposal to defer the General Examination afloat at Hirohata has been specially considered.

This matter has also been discussed with Mr. Chen and it was explained to him that while London approval has been given regarding the deferment of the dry docking the remaining requirements of the survey for General Examination should be complied with at this time.

It was arranged that Mr. Chen would discuss this with you by telephone and we now await hearing from him as to your decision.

Yours faithfully,

A. Wilson
