Dear Mr. Mayne:-

Referring to Wilmington Report No. 103 on the Steamer "NEMAHA" as referred to in your letter of the 1st instant, I have to acquaint you that the thickness of the strake below sheerstrake clear of the bridge is as approved; that the towline is of flexible steel wire and that the towline and stream wire have been tested as required for flexible steel wire.

Yours faithfully.

R. P. Hutchins
