Classn (S)

Dear Sir,

With reference to your letter Classn (S) of 17th March 1961 regarding the "Aungteza" and "Aungthitsa" I have to state as follows:-

CU "Aungteza" - Windlass port gypsy inboard pedestal bearing and shaft, renewal already carried out. See my report No. 2396 dated 7th March 1961.

"Aungthitsa" - examination of Port Boiler, all furnaces, and centre furnace of Stb'd Boiler - the vessel is now at Colombo and on return to this port first week next month the examination will be carried out & reported.

Yours faithfully,
