

Lloyd's Register of Shipping,

Maritime Buildings, East Dock Street,

Dundee, 18th August, 1928.

Reference

Dear Sir,

fun 8655.

With reference to the Machinery First Entry Report No. 8655 on the Steamer "ATLANTIAN", I find that the N.H.P. should be 777 instead of 673 and the corresponding fee should be £113 - 17 - 0 instead of £104 - 6 - 6.

I should be glad if ^{he} necessary alterations could be made on the Report and regret that this error should have occurred.

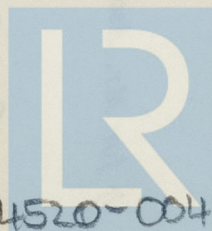

I am, Dear Sir,

Yours faithfully,

Myrwell

The Secretary.

London.
