

WOKINGHAM COPY.

ENCLOSURES

28th July, 1944.

S. Dear Sirs,

I enclose herewith for your guidance a copy of First Entry RMC Report on the new steamer "EMPIRE TALISMAN", as it is understood the insulation of the refrigerated holds is to be completed in Canada.

The matter of refrigerated cargo fan electric motors supplied by Messrs. Axia Fans Ltd., has received special attention, and I enclose a copy of a letter addressed to the Society's Glasgow office on the 1st instant in this connection. Tests were subsequently carried out with satisfactory results and a copy of a further letter addressed to Glasgow on the 10th instant giving particulars of these tests is also enclosed.

I am, Dear Sirs,
Yours faithfully,

The Surveyors,
MONTREAL.
