Dear Sir,

Steamer "REGENT TIGER".
Newcastle First Entry Report No. 104060

In reply to the enquiry contained in the classing letters of the 13th ult. and 15th instant we have to state that the pumping arrangements have been fitted in accordance with approved plans and were tested on 11th October, 1946, as indicated in the Machinery Report.

Your remarks regarding the application of Circular No. 1843 in future similar cases are noted.

We are, Dear Sir,
 Yours faithfully,
 THE SURVEYORS.
